SKATECANADA

CANSKATE

First time skater? These are the supplies you need before you start....

- Either figure skates or hockey style skates
- Leather, lace up skates are preferable to vinyl.
- Molded plastic skates with velcro closures or BobSkates with the double blade are not suitable

- A CSA approved hockey helmet is required for all skaters in learn to skate programs.
- Skaters on PreSchool and Pre-CanSkate **must** also have a face mask.

See you at the rink!!!
